

CYBERSAFETY USE AGREEMENT FOR STUDENTS

INTRODUCTION

Manurewa Intermediate School uses a variety of technologies to enrich student learning. School wide networked computers (which includes one-to-one device per student funded by the school), the internet, email, web publishing, pod casting and video conferencing as well as in-school TV and video conferencing all bring great benefits to the teaching and learning programs at Manurewa Intermediate.

Our school has rigorous cybersafety practices in place, which include cybersafety use agreements for all school staff and students.

The overall goal of the school in this matter is to create and maintain a cybersafety culture which is in keeping with the values of the school, and legislative and professional obligations.

This use agreement includes information about your obligations, responsibilities, and the nature of possible consequences associated with cybersafety breaches which undermine the safety of the school environment.

All students will be issued with a use agreement and once signed consent has been returned to school, students will be able to use the school ICT equipment.

RULES TO HELP KEEP MANUREWA INTERMEDIATE STUDENTS SAFE
