(8am - 8pm)
Term 1 ends
- Fri 10 Apr: Good Friday

Tēnā Koutou Katoa, Talofa Lava, and Hello!

Kia Ora and welcome to Room 4, Rimu whānau and a very amazing year here at Manurewa Intermediate! My name is Irihaapeti Tewhata and I am a 23 year old from a small town 10mins north of Whangarei called Hikurangi. I am the eldest of 10 and have been brought up around a very big whānau and tikanga Māori. My whānau and caring for others is very important to me and this reflects in my teaching practice. I had been teaching for 2 years at a small rural school just outside of Kaitiāia. Before I started working at MI I decided to make the move to Auckland because this is where my partner lives. I am excited for the year ahead of us and the awesome experiences that I will have with all of the tamariki and other teachers!

I am looking forward to meeting you all and working alongside you and your child throughout the year. I have high expectations for all schooling life and experiences. I believe that the KEY TO SUCCESS IS PARTICIPATION AND HARD WORK! So I will always be encouraging our tamariki to get involved, take risks and learn from all of their experiences. I expect all tamariki to come to school on time, everyday and with the correct uniform. I also believe it is very important to have a positive attitude and the enthusiasm to learn and work hard to strive for the best that they can.

Please feel free to call me, text me, or email me with anything to discuss regarding your child's schooling and learning. Please ensure you contact me or the school office if your child is going to be absent. Also, if your child is going to be at school after the 8:30 bell they need to bring a note or be escorted by you to the office.

I look forward to getting to know your child and am very grateful to be a part of their learning journey and time here at Manurewa Intermediate!

Ngā Mihi
Miss Tewhata

SURVIVAL CAMP

Our school-wide Survival Camp takes place this term during Week 3 (Feb 19-21) at Motutapu Island. Students will be staying 2 nights where they will prepare their own food and participate in various exercises and activities.

As a whānau please start to source tents and sleeping bags. Our class will also need at least 3 adults to help with our camp. This is very important to ensure our camp is successful and as fun as possible! We hope you can join us!

NIGHT MARKETS

This Wednesday (5 Feb) from 5pm - 8pm we will be fundraising for our Survival Camp at our MI Night Market.

It would be awesome if you could come along and help! Also, let all your whānau know. Can't wait to see you all!

If you are able to help with any of our up and coming school activities, trips or fundraisers please let me know!
