Nau mai, haere mai — Welcome whanau and students! My name is Karleena Tangaere and I have the pleasure of learning and growing with your child as both their form class and Humanities teacher for 2020! Culture, identity, family, and having fun are important to me. We will uphold these values within our classroom and learning.

MI Night Markets are on THIS Wednesday! Money raised will pay for our food at Survival Camp. Kauri will be at MI Survival camp on Motutapu Island from Wed-Fri (19th-21st February). It is **FREE** for students and everyone is expected to attend. This is an amazing experience that the children will treasure forever. We need whanau help for both of these events, so please consider how you can contribute. Please read the accompanying letters about Survival Camp and also the information in the MI Planner (p39-44). Our Kauri Whanau leader is Jesse Lee.

Kauri Aiga Expectations

Attendance: Attendance is crucial to success. If your child is going to be away please contact myself or the office the day before or in the morning, before school.

On time: School starts at 8:30am and it is our expectation that students arrive by 8:15am to prepare for the day. If your child is late they must provide a signed note from a caregiver.

Tools for learning: Students need to come to school prepared to learn. This means they need to have the basics such as a blue pen, healthy food and a water bottle. It also includes going to bed at a decent hour and getting a good nights sleep, every night.

Uniform: Kauri Aiga expect perfect uniform from our students every single day. Every student needs a green Kauri band in order for their uniform to be correct. If for some reason your child has an incorrect uniform they **must bring a signed note to Mr Bartlett before school**, to receive a pass.

If you have any questions regarding your child's learning or about MI you can contact me by email or phone. You are, of course, welcome to pop into class anytime!
