

ROOM 37 2020

Welcome to an awesome new year at Manurewa Intermediate School (MI). My name is Jo-McB. I am stoked to be teaching my form class in Room 37 and Sustainable Enterprise as a module subject this year. I am looking forward to supporting the students in my class to be the very best they can be and helping them to reach their full potential. A key focus of mine is student (and parent/caregiver) wellbeing. I aim for my class to be a happy, calm and positive place where everyone feels valued. All students have a voice and I encourage them to express who they are and to actively work out who they strive to be in the future.

Be brave when you're scared and be humble when you're victorious.

I have high expectations of all of the students in my class and will expect them to be at school on time every day with the necessary equipment. **Attendance matters and we will contact you if your child is away. If you see a call or a message from 09 266 8268 it is likely us contacting you to check everything is ok.** If you would like to talk to me about your child, please feel free to contact me on the above number during school hours or via email at any time (jom@manurewaint.school.nz) - or just come to the classroom before or after school and we can make a time to talk.

Looking forward to seeing you all in the near future©

Night Markets

As a lead up to Survival Camp we will be fundraising to cover the costs of the food we will eat at camp. On Wed 5 Feb, Room 37 (and the rest of the school) will be holding a Night Market from 5pm- 8pm. We would appreciate whanau support by providing kai towards what we will sell as a class.

Survival Camp

In Week 3 we will be participating in a school wide Survival Camp at Home Bay on Motutapu Island. Students will spend two nights on the island where they will pitch a tent, prepare meals and participate in a variety of team building activities. More information can be found in the MI Planner book.
