Kia Ora my name is Charlene Tamaki and I will be your child's form teacher for 2020. I am a Science teacher in Room 73 and we are part of the Kauri Aiga. I look forward to meeting you all and encourage you to join us in our whanau events this year. I also look forward to working together to achieve the academic and social goals for your child.

My expectations of your child are high and I believe "Right time, Right place, Right gear" is a great starting place. Punctual arrival at school, with MI Planner, blue and red pen in full school uniform are a must! I will work alongside whanau to help all students meet these expectations. My goal is for Room 73 students to realise the opportunities here at Manurewa Intermediate - we are definitely more than just a school.

We are always busy here at MI and one of our first adventure this year will be MI Survival Camp. To support our costs we will prepare and sell items at our MI Night Market stall this Wednesday 5th February. To help our efforts you could give your child a hand to organise materials for our stall. If you can help in any way, please feel free to call or text me. I look forward to meeting you all at our MI Night Market. Please feel free to contact me on 09 2668268 ext 3073 or cell 0275850857 for any enquiries.
