

ROOM 12 NEWSLETTER

Wednesday, 15th April 2020

Kia ora and welcome to Term Two! I hope that you are all keeping well and staying in your isolation bubble. I know that this is a strange experience and we are going to do our best to make this work for us. We will update you as soon as we know more about when we will be back at school.

Until then... our online/distance learning is starting from today. Humanities, Math and Science work will be sent out via email for the week. Those that do not have access to a device will receive the week's work via text message.

I am available to assist with any issues or concerns and we will be having daily catch ups on 'Google Hangouts' for those who can access it. I will be touching base with all learners from Room 12 on a daily basis.

Our Term Two Smart Target is:

'Don't let failures define you - let them teach you'

Please note: *All Marae Stays planned for Term 2 have been postponed until further notice due to current social distancing rules. I will let you know if there are any changes to this as we get further into the Term. Thanks for being understanding.*

I hope that things will be back to normal soon and that you all stay safe and healthy.

Please feel free to contact me if you need anything.

Kind regards
