

Room 19's Newsletter

Wednesday 15h April 2020

Welcome back to another busy term for Room 19. Thanks - A huge thank you goes to Lou (Brooke's mum) and Sharlene (SWISS) who were AMAZING at camp on Motutapu and helped us eat well, sleep well and have fun. The children were also great at camp and had a terrific time learning to get on with each other. The MI Night Market was successful for us, raising enough money to feed us at camp. Thank you for supporting this by your attendance or donating goods.

Home Learning - I trust that you are doing well during this lockdown period and hope that you are ready to get stuck into learning. As the form teacher, it is my responsibility to issue the learning to Room 19 during this isolation period. I will be available to the students during this time and also connect with them throughout the days to ensure they are continuing their learning journey. I will be sending out learning for them so have them check their emails.

Attendance - Room 19 has been working hard to achieve 100% attendance for a whole week. Sadly, we did not achieve this in Term 1. I know the winter is a time for colds and flus but it is important to come to school on time EVERY day. Students should be at school by 8.20 am to be organised for the day.

Marae Experience - All Marae Stays planned for Term 2 have been postponed until further notice due to current social distancing rules. I will let you know if there are any changes to this as we get further into the Term. Thanks for being understanding."
