

ROOM 23 CLASS NEWSLETTER

Kia ora, Talofa, Malo e lelei, Hello and welcome back students, parents and caregivers. Term One was a massive success for Room 23!

Congratulations and a massive thank you to those that contributed and helped with MI Night Markets. It would not succeed without your support. Well Done to all the students and helpers on an awesome Survival Camp and great experience for all involved. It has been fantastic engaging with you and your

child over the last ten weeks, ensuring that we as a school and you as a parent give your child the best opportunities to learn and succeed. On a personal level, I have loved getting to know all the new and some old students in our class as individuals. I can honestly say I love working with our team and look forward to getting back to work this Term. Term Two will come with new and exciting challenges, especially in students' learning. We have co-constructed your child's next steps in Reading, Writing and Maths and it is crucial students follow up with this at home.

Marae Stay: *All Marae Stays planned for Term 2 have been postponed until further notice due to current social distancing rules. I will let you know if there are any changes to this as we get further into the Term. Thanks for being understanding.*

Term 2: Term 2 IThe new term brings forth a new inquiry for Module 4 – “Optimistic” and Module 5 “MI Expression”

What we can improve on as a class:

Healthy Eating: Students are strongly encouraged to bring in healthy food each day.

Lates: All students are required to be at school by 8:20 with the form time bell ringing at 8:25.

Room 23 Isolation updates

We are going through an unprecedented and unfamiliar time but it is important to stay positive, motivated and optimistic for the future. I wish you all to stay safe and healthy and look forward to seeing you all again when we get back to school. While in insolation I have been doing my best to make sure we are organised and ready to start Term Two to the best of our ability with this new concept of home digital learning. In regards to home learning students are expected to touch base with myself each day through Google Hangouts and complete all work organised for them on a daily basis to the best of their ability, failure to do this will result in a phone call home. Away from my work I have also been keeping active with my daily exercise if you are interested to challenge yourself try my training schedule:

4km Run
150 push up's
150 squats
75 lat pulls
75 dip's

I hope you are all well and I look forward to getting back to school with you all.

A reminder that I will be calling home if your child is away. If you see either of these numbers 02668268 (SCHOOL) or 0226911618 (My Number), please pick up- just making sure your child is okay.

Yours sincerely

Mr Shephard
Phone: 0226911618 Ext: 3023
