

Wednesday April 15th 2020

Welcome to Term 2!

These are certainly unusual circumstances we find ourselves in as we start Term 2. I hope you and your whanau are all safe and well during the lockdown and that you have managed to spend quality time together, especially over the Easter weekend!

Home learning will commence today for the next two weeks. Work has been shared for Humanities, Math and Science. Students should try their best with the work but I understand each whanau will be different. As soon as any update, regarding when teachers and students will be allowed back to school is announced, this will be shared with you.

SMART Target Term 2

'Don't let failures define you - let them teach you'.

More information will be provided during the term once we are back at school regarding the SMART target, but for now think about how this can be used at home.

Marae Stays Term 2

All Marae Stays planned for Term 2 have been postponed until further notice due to current social distancing rules. I will let you know if there are any changes to this as we get further into the Term. Thanks for being understanding.

Fitness and Reading

I hope students have been giving reading a go during the lockdown and maybe have been exploring a new book or comic? Keep it up!

I hope students have been enjoying the Youtube fitness channel and have managed to keep up some fitness also during the lockdown! This will be important for when we are back in class!

If you need to get in contact with me during the lockdown, you are more than welcome to ring me or email me. My number is 02108507800 and my school email is cianb@manurewaint.school.nz
