WEDNESDAY, APRIL 15th Room 78 - TERM 2 INFO

Tena koe, talofa lava, fakaalofa lahi atu, malo e lelei, kia orana, hello! Welcome to Term 2, 2020!

Below are your child's core teachers for the term, followed by their new module teachers:

I hope this finds you and all of your families safe and healthy during this trying period of time. My thoughts are with all of you as our strength is being tested each and every day. Thank you for keeping in touch, texting, emailing and ringing, attending our video chats and staying positive as we work through this together. Please know your children are in our thoughts as a whole school and we teachers miss their energy, smiles and personalities each and every day!

Thanks to all whanau for your help with our Night Market and camping experience! We ate like kings and really enjoyed having families with us on the trip. We couldn't do these things without support from you at home, so thanks a million times over for helping us in so many ways! Your children were challenged and did a fantastic job of taking safe risks and working together as a team. We are all really proud of each other!

We have an exciting term ahead and you can get involved by asking your child regularly about what they are learning. Please ask them daily about school so they know you are interested!

Continue to encourage your child to get stuck in and take risks at school so they can achieve to their full potential!

All Marae Stays planned for Term 2 have been postponed until further notice due to current social distancing rules. I will let you know if there are any changes to this as we get further into the Term. Thanks for being understanding.
