Welcome Back!

Well, Term One has gone so quickly and it has been such an action packed and full on term for us all.

A huge thank you goes to all the helpers who were AMAZING at camp and helped us eat well, sleep well and have fun. The children were awesome at it and had a terrific time bonding, developing leadership skills and getting on with each other. The MI Night Market was successful for us, raising enough money to feed us at camp. Thank you for supporting this by your attendance or donating goods.

Marae Stay

All Marae Stays planned for Term 2 have been postponed until further notice due to current social distancing rules. I will let you know if there are any changes to this as we get further into the Term. Thanks for being understanding.

Winter Uniform

Do you know where this is? Students are allowed to wear • PLAIN BLACK shirts under their school uniform to keep warm • PLAIN black long trousers (or track pants) • Girls are allowed to wear black stockings • PE uniform is the same all year.

Home Learning

We are going to have a selection of tasks that you'll be able to choose from each day. Start a routine, get up, have some breakfast, find a quiet way to work and get some things done. Check your report to see some areas you have to focus on.

GOOD LUCK! Things are going to be fine!

SMART Target:

"Don't let your failures define you—let them teach you."
