Term 3

Tena koe, Talofa lava, Malo e leilei, Ni sa bula vinaka, Namaste, Ni hao, Fakalofa lahi atu, Kia Ora and Hello.

Welcome back students, parents and caregivers to Term Three of 2020. Can't believe we are halfway through the school year. One thing that I can't emphasise enough is what great learners Room 20 are. They go that extra mile to make sure they support their classmates and continue their own learning as well.

In Term Two there was a great deal of excitement about different events, and you should be proud of the accomplishments your child has made. In their learning, the students showed great resilience and creativity in the MI Expression Art Exhibition projects. One of the highlights of the term was the amazing Assembly they had to do.

Term 3 Preview

Heading into Term Three, we will have our marae stay on Wednesday of Week 4 and is compulsory for all students. We will start the new inquiry Module 7- 'Communicator', looking at NZ History, Nutrition, as well as Global Discoveries'. MI has a lot to offer your child and we encourage all whanau to support and motivate their children to participate in all activities.

A FEW REMINDERS FOR A POSITIVE START IN TERM 3:

In our classroom, a major priority is making sure your child comes to school every single day. The best place for your child is here at school, so please ensure that students are here, on time, ready to learn, by 8:25am! Please ensure your child is in the correct school attire each and every day. This includes their Rimu Whanau Band which can be purchased for \$2 if misplaced. If you are running late, or your child has the incorrect uniform, please supply a written note detailing why. Finally, if for some reason your child will be absent, please notify me or the school office directly.

Healthy Eating

At MI, we encourage healthy eating. A healthy lunch will allow your child to stay focused throughout the day. Please prepare something that is nutritious, simple and tasty every day for their lunch boxes. Water is also an essential part of their wellbeing. Students are encouraged to bring a water bottle to school every day.

MI Happenings this term!!!

On Wednesday 12th of August, Room 20 will be spending the night in Te Kahurangi - our school marae. This is a learning opportunity that all students in Room 20 are required to attend. Your child will come home with a noho marae consent form for you to fill out and return to me the very next day.

Whanau - for important Term Three school dates, please refer to the 2020 MI Whanau Calendar you received at the beginning of the school year, it is also available in your child's MI Planner on page 8.
