## Welcome

Kia ora! Malo e lelei! O a mai 'oe? Komusta po? Hi everyone and welcome to Term 3! With all that has happened, including the lockdown during the previous term, I would say we are all indeed lucky to be back at school and that we can continue learning. We are officially embracing the other half of the school year. Our children know where they are at with their learning, their goals and how they can achieve them. As their teacher, I ask for your continued support with their education. With your help, our children successfully hurdled the challenges of distance learning. Upon coming back to school, we reconnected through our Art Module: MI Expression, where your child displayed positivity and optimism with their artwork. I am very proud of their work!

## Attendance and Lates

During Term 2, our class managed to be one of the Top 5 classes for high attendance. However, our late comers continued to be a concern. Please keep on encouraging our children to come to school early with the latest time of 8:20am. At MI, we also teach our children to always be on time - all the time!

## Term 3 Preview

There are a couple of highlights for this term. First is our classroom led assembly happening on 14<sup>th</sup> August. Every single one of our children will be performing in front of the school. I am sure they will be delighted to see you join the rest of the school.

Our new Module - Communicator will kick off in Week 3, where we will also look back at NZ History, Nutrition and Global Discoveries in our form time programme.

Lastly, we will have our Marae Stay scheduled on the 23<sup>rd</sup> September. Like the previous modules, everyone is expected to attend. More info to follow!

For more important Term 3 dates please refer to the 2020 MI Whanau Calendar you received at the beginning of the school year, and it is also in your child's MI Planner on page 8.

## Home Learning

Even though the school does not send homework to our students, the school expects every child to read at least 20 minutes per day. Our children can always borrow books from the library or read online using their student log in at [www.getepic.com](http://www.getepic.com).
