Term Two

Monday 3rd May 2021

Welcome to Term Two! First of all I would like to say a huge **NGA MIHI** to all students and families of Room 27 for your constant support of our class last term. Whether you supported us at MI Night Markets, during our Home Learning while in lockdown or whether you came along and helped us at our Marae Stay. The students have shown a lot of resilience and have bonded well as a class and they are definitely settling into routines. I encourage all students to get involved this term with sports, culture and performing, as well as, focusing in their academic classes also.

Marae Stay:

On Wednesday 9th June, Room 27 will be having another Marae Stay. This is another awesome experience to strengthen our class culture and understanding of Maori tikanga. Parents are most welcome to join us in the activities planned for the evening. A permission slip will come out closer to the date.

UN Show:

This term during the MI Cultural Focus Breakout in Weeks 8 and 9, our class will be learning about a different country and presenting a short cultural performance. Students will have the opportunity to present their learning on Tuesday 6th of July starting at 7pm. It would be great to see you all there!

Important Dates:

For all important Term Two dates please refer to the 2021 MI Whanau Calendar you received at the beginning of the school year, and it is also in your child's MI Planner on page seven. If there are any other special events unique to our class, I will let you know.

Expectations

- **ATTENDANCE & LATES:** School begins at 8:30am and students are expected to be at school on time. If they are late they will receive an after school detention. Communication between teacher and whānau is important, so please feel free to contact me.
- **EXTRA-CURRICULAR ACTIVITIES:** Participation in extra-curricular activities is also expected as it is a chance for your child to make new friends and/or learn something new.
- **WINTER UNIFORM:** This term, as the weather gets colder students are allowed to wear plain black long sleeved shirts underneath their uniform and plain black pants as long as they do not have any patterns or other colours on them. Whānau bands and black leather shoes are part of the school uniform and also need to be worn every day.
