

ROOM 06
CLASS LETTER
MISS TAMAKI

Term Three

MONDAY 26 JULY 2021

WELCOME BACK WHANAU

I sincerely hope the holidays have been a great time for your child to recharge and prepare for a very busy term ahead. Rest is vital to successfully complete the year with a focussed improvement in your child's learning.

We have had a successful year demonstrating our previous values and we will continue to focus on demonstrating this new set. Our Term Three values are Pride, Fairness, Effort and Commitment and Excellence.

As the cold weather hits, students emotions become fickle and tensions can arise. To maintain consistent learning your child must be at school every day and on time. The routines and structures our system provides is a great way to manage stressful times. It can be challenging when the weather is colder but I hope you will continue to ensure your child's attendance despite the wintery weather. We are still able to wear pants and long sleeves this term to help with battling the cold. I also hope you will continue with your efforts to ensure your child arrives at the right time. We have all greatly improved here so I would like to encourage this progress. Remember our school day begins at 8.30am so an 8.00am arrival gives your child enough time to catch up with friends and sort out their tools for the learning day!

The Module 6 subjects for Term Three are Music with Mr Huata and Visual Art with Ms Hardwidge. We continue Mathematics with Mr Tofilau and Humanities with Mrs Burnett. However, Mrs Marsh has decided to return to Canada to be with family and are very lucky that Miss Mousa will join Tawa Whanau as our Science teacher. Adventurous is our focus across all areas and it would be great to have a conversation with your child about how you have been adventurous in your life.

As always, please do not hesitate to contact me if you have any questions or want to know anything about what we are doing in class.

Naku noa

Charlene Tamaki.
