

TERM 3

Monday, 26th July 2021

Kia Ora whanau, welcome to Term Three.

I hope that all students have had a good holiday and are ready to get back into their learning.

Term Two was a fantastic term and it has been great getting to know everyone and learning all about the awesome students that make up Room 9. Our UN Show preparation and performance was a massive success, learning about India and watching our whole class rise up to the challenge and smashing our performance! They were fantastic. Thank you for coming along to support our class and a special mention to our whanau who helped out at the Food Fest.

**ATTENDANCE:** Room 9 has been working hard to achieve 100% attendance and has improved consistently over Term Two but we still have some work to do. It is very important for your child to come to school **EVERYDAY** and be **ON TIME**.

**CLASS MARAE STAY:** Our Marae stay is this week Wednesday, 28th July. I am looking forward to our time together as a class while we learn more about tikanga and make connections to our whakapapa.

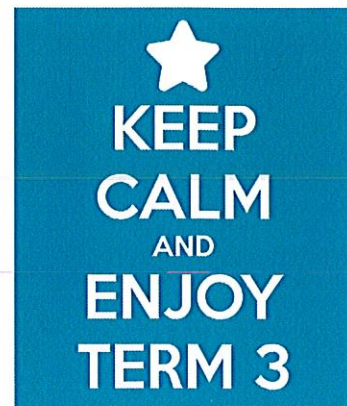

**CLASS ASSEMBLY:** Our class assembly is on Friday 6th August and this will start at 9.50am. The whole class will be performing in our item during this assembly and you are invited to come and support your child.

## MI Expression - Module 7

### CREATIVE EXPRESSION

In weeks eight & nine we are off timetable to explore a range of Science, Technology, Arts, Engineering and Math areas, and how these can be integrated to develop our learning and understanding. We will be having an exhibition of learning at the end of this module to showcase what we have learnt.

## WHAT'S COMING UP?

**Student Involved Conferences** are happening in week three of Term Three, the 10th of August. Please complete the form that is sent home and book in your preferred time.

I look forward to seeing you there to discuss your child's learning and success over the year.

### Your child will have the following teachers for Term Three, Module 6 Adventurous:

Humanities - Mrs Burnett

Math - Mr Davidson

Science - Miss Mousa

Physical Education - Miss Tewhata

Cooking - Mrs Rowney

Performing Arts - Mr Tanaki

Please do not hesitate to call, email or pop in to see me at any time if you have any questions or concerns about your child.
