TALOFA LAVA AND GREETINGS TO YOU ALL

Welcome to Term 3! My name is Djay Solomona, I am of Samoan descent, and it is my honour and pleasure to be the new form teacher of the amazing Room 15. I have been working at Manurewa Intermediate since 2019.

Room 15 had a busy but amazing Term 2. Although Room 15's UN Show performance on Spain was great to watch, it was unfortunate to not have every student present on the evening. If your child did perform, I hope you got to see what they had worked hard to produce over their two weeks of UN Show preparation.

I am excited about Term 3 and the opportunities that will be provided for your child to grow academically as well as socially. I have nothing but high expectations not only for myself, but also of my students. I want them to make the most out of their time here at Manurewa Intermediate, soak in all the learning, and grab any opportunity with both hands and give it their best shot.

Module Seven

In weeks eight and nine of this term, Module 7: MI Expression (STEAM Fair) begins. This will involve us exploring an area that includes using skills from Science, Technology, Engineering and Mathematics. Watch this space for more information.

Term 3 Values

Pride

Fairness

Effort & Commitment

Excellence

Important Dates

Whanau - for other important Term 3 dates please refer to the 2021 MI Whanau Calendar you received, and it is also in your child's MI Planner on page 8. If there are any special events unique to our class, I will let you know.

ATTENDANCE:

In Kowhai, our attendance is something we have all been working on. We ended the term with an attendance rate of 92% which is pretty amazing! This term, we plan to beat that but in order for that to happen, you MUST be at school EVERY DAY! You may even go in the draw to win a laptop from Mr Bartlett.

LATES:

If your child arrives to school after the 8:30am bell, they will get an after school detention the following day. To avoid this from happening, please ensure your child is getting to bed at a decent hour each night so they wake up early and get to school on time.

REMINDERS

It is important that we have ongoing communication. Your role at home is just as important as my role here in the classroom.

Please do not hesitate to call me on (09) 266 8268 ext 3015 or come in and see me if you have any questions or concerns about your child's learning.

I look forward to meeting you, learning about your child, and working together to help motivate, inspire and challenge their learning.

Your Sincerely,

Mr Solomona
