TERM THREE TEACHERS

Module 6: Adventurous

Your children have enjoyed their time in both X-Plo Tech as well as Performing Arts in Term Two. This term they move to Sustainable Enterprise with Miss Jo Mc B and to Languages with Miss Charlene Tamaki

Math	Mr Ese Tofilau
Humanities	Miss Kendal Orr
Science	Miss Dana Mousa
P. E	Miss Irihaapeti Tewhata
Sustainable Enterprise	Miss Jo McB
Languages	Miss Charlene Tamaki

MONDAY JULY 26

E muamua lava ona sii o le viiga le Atua. Greetings and Blessings to you all. Where has the time gone? It was only yesterday that we met on the first day in the hall and now we are past the halfway point for the year.

As you will have read in our highlights, your children had a full-on Term Two. In saying that they have remained focused and have made progress with their learning. I look forward to discussing this with you further at our next Student Involved Conference coming up in Week Three, on Tuesday 10th August. Please note that we have an open-door policy here at Manurewa Intermediate and anytime you would like to discuss your child's learning or any concerns you may have please do not hesitate to contact me.

ATTENDANCE AND LATES

There are some students coming to school late and thus they receive an after-school detention. Also, being away from school is hindering your child from making progress with their learning. Please encourage and support your child to be at school every day on time so they are getting the maximum learning opportunities that they deserve. We had 90% overall attendance for Term Two. Let us work to beat that this term!

UPCOMING EVENTS

For any upcoming events please refer to your MI Calendar you received at the beginning of the school year, it can also be found in your child's MI Planner on page eight. If there are any special events unique to our class, then I will let you know in advance.

26 HIGHLIGHTS

- Boys Night Out and Girls Night In
 - ❖ What an awesome night it was to spend with your children. Thank you everyone who was able to make it.
- Spelling Bee
 - ❖ Congratulations to Trudy Pouono for making it into the school finals for Spelling Bee. Representing 26 well.
- Mid-Year Social
 - ❖ Favourite event of the year so far for many of our students. They really enjoyed this night.
- Cross Country
 - ❖ Not every student's cup of tea but nonetheless they all were persistent risktakers and completed the course.
- UN Show – South Africa
 - ❖ All their hard work paid off. What an awesome show. I know you are all as proud of your child as I am.
- Rewa Sisters
 - ❖ Well done to Mateaki Tupou who is a part of the Rewa Sisters. An all-girls team competing in the Counties Under 13 grade.
