Module Six Subjects:

Hauora: Nutrition

Monday Magic: NZ History

Life Skills: NZ History

Friday Frenzy: Global Discoveries

Tena koe, Talofa Lava, Malo e lelei and greetings!

A massive thank you whanau for all the support in Term Two with the many different events which took place. Room 30 was awesome with the UN Show and what a massive achievement it was. My thanks to all Kowhai students for winning the whanau competition three times. Our consistency was impressive and I am very proud of the effort we have made as a class. We had a lovely Marae stay, coupled with an Ava ceremony where we all shared our achievements so far this year. Room 30 had an awesome time at both Blues Rugby games too, what a truly awesome and wonderful experience.

I would like to extend a massive thank you and congratulations to all students who had took part in sports last term. It is really important that everyone gets stuck in and has fun, for example in the School Cross Country, Rugby Girls and Boys 15's, continuing to take part in training for AIMS 7's and Basketball. Don't forget sports trainings for the week will be sent out via a text message and will also be uploaded to Room 30's Google Classroom.

This term we have a number of important events including:

- 2021 Sports Camp in Hunua.
- AIMS 7's tournament in Tauranga.
- Breakout Module 7: Steam Fair in weeks 8 and 9.
- Homework Club continues on Mondays after school finishing at 4:15pm.

I look forward to another term full of gains and excitement. If you have any questions, please feel free to contact me.

Sincerely,

Mr Byrne-Hansen

Module Seven

In weeks eight and nine of this term, Module 7: MI Expression (STEAM Fair) begins. This will involve us exploring an area that includes using skills from Science, Technology, Engineering and Mathematics. More information will be shared for this.

Term 3 Values

Pride

Fairness

Effort & Commitment

Excellence

Important Dates

Whanau - for other important Term 3 dates please refer to the 2021 MI Whanau Calendar you received, and it is also in your child's MI Planner on page 8. If there are any special events unique to our class, I will let you know.

ATTENDANCE:

In Kowhai, our attendance is something we have all been working on. We ended the term with an attendance rate of 97% which is pretty amazing! This term, we plan to beat that but in order for that to happen, you MUST be at school EVERY DAY! You may even go in the draw to win a laptop from Mr Bartlett.

LATES:

If your child arrives to school after the 8:30am bell, they will get an after school detention the following day. To avoid this from happening, please ensure your child is getting to bed at a decent hour each night so they wake up early and get to school on time.
