Tena koe, Talofa Lava, Malo e lelei, Mabuhay and greetings!

My **BIGGEST THANKS** to you, our parents and caregivers for your invaluable support for many of our events last term, in particular our Food Festival. To Lea's Mum, Talele, we couldn't have done it without all your assistance. Room 32 have shared some amazing times together, especially during our second Marae Stay, where we were all connected and reflected upon what we can do more of as an individual and as a class. We made long lasting memories preparing and performing for our UN Show. Our tamariki all have special talents to showcase indeed. All of which have added value to their lives, not only as a member of the school community but as a global citizen.

Our school vision statement "**Adventurous risk-taker persistent focussed achievement**" coupled with our school values and Keys to Success; must be modelled to our children and be instilled in their minds as we continue to prepare them for a brighter future.

Now, we are officially embracing the other half of the school year. Your child knows where they are at with their learning, their goals and how they can achieve them. As their teacher, I ask for your continued support for their education each and every day.

Kia kaha, kia maia, kia manawanui,

Ms Ella

Module Seven

In weeks eight and nine of this term, Module 7: MI Expression (STEAM Fair) begins. This will involve us exploring an area that includes using skills from Science, Technology, Engineering and Mathematics. More information will be shared for this.

ATTENDANCE:

In Kowhai, our attendance is something we have all been working on. We ended the term with an attendance rate of 97% which is pretty amazing! This term, we plan to beat that but in order for that to happen, you **MUST** be at school **EVERY DAY!** You may even go in the draw to win a laptop from Mr Bartlett.

LATES:

If your child arrives to school after the 8:30am bell, they will get an after school detention the following day. To avoid this from happening, please ensure your child is getting to bed at a decent hour each night so they wake up early and get to school on time.
