

# ROOM 34 NEWSLETTER

Monday 26th July 2021

Kia Ora whanau. I hope this letter finds you all well. I would like to start off by congratulating your child for an exceptional

Term 2. We had our Marae Stay, which was an epic event. In the last week of school we 'smashed out' our UN Show. I was so proud of all the work and effort put in over the two weeks leading up to the actual show and believe we did our adopted nation of India real justice. Thanks to everyone who came along to support our class. I know you would have been proud and entertained by the performance.

## The Term Ahead.

Our new Module 6 - 'Adventurous' will begin this term. For Hauora we will focus on bettering our knowledge about Nutrition. One of the topics I am excited to dive into is our Monday Magic and Friday Frenzy topic of NZ History. This is going to be very important for our tamariki, especially because it's vital for everyone to learn about our history timeline and the effects it can still have on people today.

Our class will be hosting the school Assembly this coming Friday (30 July) at 10.05am and you are all invited to watch the magic. Student Involved Conferences are on Tuesday 10 August (Week 3) and I look forward to seeing you all so my 'super smart students' can share their greatness with you. On Friday 1 October (Week 10) we have Rewa's Got Talent and I will be pushing for our class to be Risk-Takers by participating in this talent quest. Near the end of the term we have Module 7 - MI Expression (STEAM Fair) which will be hands-on learning at its greatest. In the last week of term we have our Exhibition of Learning and I invite you all now to come and see what amazing learning artifacts your child comes up with.

## Communication

Thank you so much for being open with communication. Knowing ahead of time that students have appointments or will be away on a particular day is so helpful and makes my already busy mornings easier. My class knows how I chase until I find every student each day and it's from a place of care and safety. This is a busy term with lots happening so all you need to do is ask and I will help in any way I can.

## Organisation and time keeping

School day starts at 8:30am however, students should be in class and preparing for the day by 8:15am. Students can still wear a long sleeve black skinny under their current uniform as well as plain black pants with no logos or writing on them. Students must have their plain black Fitness and PE shorts ready, either under their pants or in their bag. If you have any questions please ask for your child's MI Planner or flick me an email or text.

## Teachers for Module 6

Humanities: Mr Bacon Room 28	Science: Miss Apiata Room 75
Physical Education: Miss Tewhata Gym	Math: Ms Brooking Room 34
Music: Mr Huata Room 62	Xplo-Tech: Mr Stewart Rm 69
