

Counties Manukau Health is working with local schools to organise a special drive-through pop-up vaccination clinic for students (aged 12 years and over), parents, staff and whānau, THIS Friday 17th and Saturday 18th September 9am – 4.00pm at the Browns Road Netball Centre, 95 Browns Rd, Manurewa.

It is a super safe, drive-through system and you don't need to book. Just drive up as a whānau, at a time that is convenient between 9am – 4pm, wearing your facemask and bring your NHI number if you have it.

The vaccine is the best way that we can keep our community safe from COVID 19 and reduces the risk of becoming very ill from the virus. Let's all show whanaungatanga and do this for our community!
