

9th November 2021

Dear Parents/Caregivers,

The Uniform Shoppe retail stores will be open again from Wednesday 10th November but with some restrictions in place.

We will operate under COVID guidelines, we will be limited to one adult per student being fitted. The number of people allowed in stores will differ between branches. We appreciate your patience as we operate through these restrictions.

Masks will be mandatory in all stores so please make sure you have one with you before entering the store.

You are still welcome to order online through our website www.theuniformshoppe.co.nz

Shop early to avoid our busy season queues

Thank You,
The Uniform Shoppe
