English, Health and physical education, Learning languages, Mathematics and  
statistics, Science, Social sciences, Technology, Te reo Māori, The arts  
PTSAR

Closes 16 May

U8, 920+ students, Decile 1. Permanent Deputy Principal (8-9 MU tbc) position for  
Term 3 2022!

Yet again! Since 2009 14 leadership people have left Manurewa Intermediate to lead their own schools! Our loss is another school's gain; therefore we have another exciting career opportunity for an ambitious, highly energised and competent aspiring principal to be one of our next **Deputy Principals**: BUT... we want to do things differently this time! Instead of us saying what we want, we want you to tell us what you can offer us and what type of portfolio you could lead! However, there are a few caveats on that!

You must be an individual who will make an impact on our kids! You'll like them and be able to influence and gain commitment from them (and actually from staff too lol!), whilst employing thoughtful, caring, deliberate and systematic strategies to move them to positive action and improvement in our constant challenge to achieve meaningful results with their learning and behaviour.

You must also WANT to be a principal within the next 3-5 years and therefore be prepared to work hard and effectively for our kids, and be prepared to invest your time and emotional energy into being mentored whilst you work hard in your role, enabling you to win that Principals position!

Everyone in our school values energy! People who are active participants moving to the vibe of our school and possessing a sense of humour that they deliberately use to assist their effective practise and leadership, enabled by high integrity to do the job

well! Our kids and staff need leaders with a high level of emotional intelligence motivated by an unrelenting and ever-resilient ambitious vision of student learning and development. Our staff want a leader who is a genuine team player, with a real conviction and belief in all of us, getting involved in all that is going on, whether it's your area of responsibility or not!

You'll be a positive team player, keen to be involved in on-going transformational change who can fit in and contribute easily to our highly effective, positive and tight knit leadership team, within a school that is highly effective and successful? You will have superb interpersonal and communication skills. You will already have had some degree of leadership experience.

Our leadership structure is very different to other schools so email Iain for more info. We look forward to working with a leader who is excited about learning, who is knowledgeable about modern learning and teaching pedagogies, able to add to our creative inquiry philosophy and optimistic about what we can do for all of our learners – kids and staff, and be able to handle, and thrive in an interesting and incredibly busy, dynamic environment. We are a high-profile school with back-to-back 4-5 year ERO reviews; and winner of 2017 Education Excellence Awards, including the overall Prime Minister's Supreme Award so you will want to help and be capable of ensuring we continue on our quest for constant improvement and effectiveness!

### **How to apply**

Keen? Email CV and a detailed, entertaining covering letter stating your leadership strengths, portfolio preferences and other interests and the names and contact details of two referees before 16<sup>th</sup> May to Iain – [iain@manurewaint.school.nz](mailto:iain@manurewaint.school.nz) .
