Tēnā koe, Talofa Lava, Malō e lelei and greetings!

Welcome back, students and Whānau, to Term 2! I am thrilled to have you all here once again. The first term proved to be simply excellent, offering a diverse range of options for our students to thrive and develop!

Your child has had the opportunity to explore a wide range of subjects. During form time, we explored the Graduate Profile attribute 'Risk Taker'. Room Four demonstrated their adventurous spirit as Risk Takers when they enthusiastically participated in the school camp, embracing new experiences and challenges with confidence. They showcased their willingness to step out of their comfort zone. This experience not only enriched their personal growth but also enhanced their academic endeavors by fostering resilience and adaptability. Room Four played an active role in running the Breakfast Club for students each morning, showing their support for the school community.

Thank you for joining the Student Involved Conferences (SICs). We hope the information shared helps you understand your children's learning needs and what they'll learn next this term.

Term Two is shaping up to be exciting! We kick off with the fun and engaging MI Expression module, an art-based module that will culminate in an Art Exhibition showcasing all the completed work. In Week Three, we return to our regular schedule, and students will dive into two new subjects: Music and Cooking. I'm eager to see their achievements in these areas.

Marae Stay at Te Kahurangi coming up this term its is an exciting opportunity for our class to bond, learn, and grow together.

Boys' Night Out and Girls' Night In: Fun events planned for later this term, details to follow.

Kind Regards

Mr Boston

REMINDERS

We aim for 100% attendance, rain or shine, Monday to Friday! If your child is not coming to school, please make sure to contact me in the morning preferably before 8:30am.

School starts at 8:30am. Students who are late and do not have a valid reason will be placed on **Community Service**. Please encourage your child to go to bed at a decent hour each night so they wake up early and get to school on time. Students should aim to be at school by 8:20am.

Your child needs to be in 100% correct school uniform, this includes their whānau band. If there are any problems and your child does not have the correct uniform, please provide them with a letter they can hand in to Mr Peilua to receive a uniform pass.
