Tēnā koe, Talofa Lava, Mālō e lelei and greetings!

Firstly, thank you and congratulations to all of the students in Rm 33. What a great term we have had to start the year!

Camp was no 'walk in the park'! Our five superb adults who attended made so much possible and we will forever be thankful for all the time, energy and love you provided at Survival Camp. Aunty Olly, Whaea Alone, Uncle Cornelius, Uncle Finisi and big brother Colwyn: we are truly grateful and feel blessed to have the support we do.

Our class has been super busy getting involved in leadership camps as well as representing our school in Zone and Auckland Championships in multiple different codes. I encourage all students to step up this term and get involved in a Period Six activity or Sport. If you or your child need help finding something, just let me know.

Today, we start the MI Expression Module and I look forward to our class expressing themselves through Visual Art. I want to allow my students to have autonomy over the direction of this module. I will need each of them to dig deep as we explore their culture and identity. I look forward to you all viewing our class display and bidding on our class piece.

This term our class will have our Marae Stay at Te Kahurangi and I look forward to us spending more time together, learning about each other and continuing to build the learning culture of class. We started this year really strong and won multiple assembly shields. However, we need to maintain this and in some areas push to work harder to attend school everyday, on time and in full school uniform.

Later on this term there will be Boys' Night Out and Girls' Night In which are always amazing events. More information will follow closer to the actual events.

As always please never hesitate to contact me with any questions either on my cell, email or by calling our class directly. Term Two here we go!

### REMINDERS

**We aim for 100% attendance, rain or shine, Monday to Friday!** If your child is not coming to school, please make sure to contact me in the morning preferably before 8:30am.

**School starts at 8:30am.** Students who are late and do not have a valid reason will be placed on **Community Service**. Please encourage your child to go to bed at a decent hour each night so they wake up early and get to school on time. Students should aim to be at school by 8:20am.

**Your child needs to be in 100% correct school uniform, this includes their whānau band.** If there are any problems and your child does not have the correct uniform, please provide them with a letter they can hand in to Mr Peilua to receive a uniform pass.
