Tēnā koe, Talofa Lava, Malō e lelei and greetings!

I would like to extend a massive thank you for the Whānau support we have received this past term. As a class community Room 71 has achieved so much together. Events like camp, mini athletics, swimming competition, Night Market have all brought us together.

Camp proved to be a very challenging experience for our tamariki. However, they persevered and conquered many aspects of our stay. From our massive hike across Rangitoto to Motutapu island, tent pitching (for some this was a first) and open fire cooking. Importantly, for many of our tamariki, this was their first time away from home. It truly was a Survival Camp! Our students achieved so much together as a class they showed all aspects of our school Graduate Profile. Especially the attributes of being a Risk Taker, showing Respect, Optimism and being Adventurous. Of course, camp would not have been possible without the help and support of our parent helpers: Hazel, Olivia, Selepa and Shadrach.

Term 2 will see us starting up with our Art Exhibition, where for the first two weeks we will be working to present a class piece based on a single medium. There will be other awesome opportunities throughout this term for our students. This includes Class Marae Stays, where for one night each class will stay over at school in our marae. This is a great bonding session for the students, our Class Marae Stay will be on the Monday of Week 10.

Later on this term, we will have our Boys' Night Out and Girls' Night In. Details on these two nights will be available closer to the date. For other dates please refer to your child's MI Planner.

For any questions, concerns or inquiries please do not hesitate to get into contact with me.
