Tēnā koe, Talofa Lava, Mālō e lelei and greetings!

Term Three was very busy. We spent the first two weeks working on our Olympic Bid. We learnt about Nepal's culture. We created incredible stadiums, a village, mascot and uniform for our country. The students were curious and very imaginative. I am very proud of the work we have accomplished! Thank you to the whānau who came to have a look at our beautiful exhibition in the gym.

Term Three was the term of Mathex where the students put a lot of effort and energy into a fun Math competition (Room 30 came third across the whānau!). We also celebrated different cultures throughout the term - Cook Island Language Week, Tongan Language Week and Te Wiki o Te Reo Māori. It was great to see students performing with pride.

We also presented our assembly item in front of the whole school. The students were amazing risk-takers and they performed with confidence. It was a very fun experience to share together.

Term Four: the next nine weeks be even busier than Term Three so keep this letter handy to remember the following dates: MI Night Markets will be on the Friday 15th of November. Cultural Performance Night is on the 27th of November and our last Student Involved Conferences are on Thursday 12th of December. Prize Giving will top everything off on the 13th of December. What a great way to finish an awesome school year!

MI Night Markets: all proceeds will go towards the Year Eight Graduation and our Whānau Fun Day at the end of the year. Please support us in whatever way you can: helping out on the night, coming later to pick up your child who stayed to help or bringing food for us to sell. **Room 30 will be so grateful for any support given.**

I encourage all the students to make the most of this last term by taking part in all these events, as well as coming to school every day on time to achieve their learning goals

As always please feel free to contact me if you have any questions or concerns.

Kind regards,

Lēa Debris

REMINDERS

We aim for 100% attendance , rain or shine, Monday to Friday! If your child is not coming to school, please make sure to contact me in the morning preferably before 8:30am.

School starts at 8:30am. Students who are late twice in a week and who do not have a valid reason will be placed on **Community Service** . Please encourage your child to go to bed at a decent hour each night so they wake up early and get to school on time. Students should aim to be at school by 8:20am.

Your child needs to be in 100% correct school uniform, this includes their whānau band. If there are any problems and your child does not have the correct uniform, please provide them with a letter they can hand in to Mr Peilua to receive a uniform pass.
